

The Ghost Who Forgot How to Boo

A Cozy Halloween Story

Bibi the ghost is a soft little cloud.
She cannot say BOO very loud.

Halloween night is a magical scene.
But what does the word BOO even mean?

Bibi asks Bat in the whispering trees, 'What does BOO mean?
Tell me, please!

,

Bat smiles from high in the tree.

'BOO is a sweet hello to me!

,

Bibi loved
exploring
the woods
behind
her house.

Today, she
had the
best surprise!

Bibi finds Spider spinning a thread.

'What is a BOO?

' the little ghost said.

Spider points to her soft silky rug.
'BOO is a wonderful, warm little hug!

,

Bibi asks Cat on his rug, 'What is a BOO?'
' with a shrug.

Cat purrs loud with a happy sigh.
'BOO is a snuggle!
' is his reply.

She sees Mama Moth in the moonlight.
'What is a BOO on Halloween night?

,

Moth lands on a pumpkin so bright.
'BOO means a very sweet goodnight.

,

She looks at the moon in the sky.
A happy feeling makes her fly!

After every Halloween adventure,
the best treat of all
is friendship.

Bibi knows exactly what to do.
She smiles at her friends and whispers, 'BOO!'
