

Midnight the Cat Wants Company

A Cozy Halloween
Story

Midnight sat lonely this Halloween night.
She wished for a friend in the moonlight.

She lit a warm candle to glow.
"Come in, new friends, say hello!"
"

Spider spun down from high above.
He brought a warm sweater, knit with love.

Bat fluttered in with a sweet treat.

"I brought warm cookies to eat!

"

Chatty pumpkin rolled in the door.
He told funny jokes and laughed some more!

A shy owl peeked from the tree.

"Is there a cozy spot for me?"

"

Gentle wolf stepped in on soft paws.
He waved hello with his fuzzy claws.

A friendly ghost floated down the hall.
"Happy Halloween to you, one and all!"
"

The cozy room filled with happy delight.
They danced together in the warm light.

Midnight purred in her sweater of red.
"I am so lucky," she happily said.

She learned that sweet kindness can magically blend
A Halloween stranger into a friend.

The party ended, they drifted to sleep.
With beautiful memories they always will keep.
